

Home Networking Kit 14IN, Home Networking Kit 28IN

CAT NO. **HNMKSTD14**, **HNMKADV28**

HNMKSTD14

HNMKADV28

HPM offers a choice of two kits to make building a home network easier: A standard kit (CAT HNMKSTD14) and an advanced kit (CAT HNMKADV28).

The kits include network hub enclosure, distribution equipment of telephone and TV/video and patch panel. There is extra room in the enclosures from both kits to accommodate additional equipment for other applications.

The kits also come with patch leads for quick and easy patching of telephone services.
