Overview

The HPM Vivo™ Grid Plate is a versatile solution for your electrical needs, allowing the installation of mechanisms such as rocker switches, TV outlets, and USB charging ports. This grid plate lets you design an interior that balances both style and functionality, all while maintaining a sleek and modern look. Perfect for creating a space that is both practical and aesthetic.

Quality You Can Trust

Installation

- Oval 84mm fixing points - making it easier to adjust when installing

Unique Characteristics

- Customise to suit your tastes and your interior with the coloured coverplate options (sold separately)
