Overview

This HPM Long Range Wireless Door Chime is perfect for homes or businesses with a large area that needs to be covered. The extra long operating range of up to 100m ensures that you will never miss a visitor, while the 36 melodies with adjustable volume provide an audible notification that can be heard from anywhere in the premises. The unique connection between the push button and receiver prevents interference from other devices, making this door chime ideal for use in busy environments.
