> [Visit product online](#)

Features

- Battery operated, making it easy to install and portable, with no wires or cables needed
- Long range radio-wave transmission up to 70 metres that allows you to place the door chime anywhere in your home, garden or garage
- Flashing LED light for visual notification
- Choice between two chime tones: Ding Dong or Westminster

User Recommendations

- Can be used as a door bell, pager or panic switch, catering to all your needs at home or office
- Each chime and bell press are factory set pairs and are not interchangeable with other HPM door chimes or bell presses

Overview

This HPM Long Range Wireless Door Chime is the perfect solution for anyone looking for a wireless door chime. Installation is easy, with no wires or cables necessary - just insert the batteries and you're ready to go! An operating range of up to 70m means you can place the chime anywhere in your home, and you have the choice of 2 different chimes depending on your preference. The in-built flashing light provides a visual notification of when someone is at your door.
