Features

- Featuring an Axial flow fan that easily moves large volume of air
- Fitted with high quality motor for long lifespan, greater resistance to high temperatures and quieter operation
- Wall mounting accessories included
- 24mm Slimline fascia design

User Recommendations

- Ideal for large bathrooms, kitchens and laundries

Overview

Designed for those who demand the best, HPM's Exhaust Fan with Humidity Sensor boasts an integrated humidity sensor module that detects changes in moisture levels and quickly eliminates residual humidity before turning off. Suitable for large bathrooms, kitchens and laundries, this exhaust fan will leave the area feeling fresh and revitalized by whisking away unpleasant odors and steam.
