- Compatible with remote control Cat. No. CFREMOTEJ (J-hook)

Overview

If you want a ceiling fan to blend into the ceiling, be as unobtrusive as possible and just do its thing, then this is for you. Made from reliable material that has been designed to suit all kinds of interiors. A simple toggle switch has been added to all the fans so it's easy to switch between summer mode for the warmer months and winter mode for the cooler months. This optimises the fan's performance and increases comfort.
