> [Visit product online](#)

Features

- 3 x 1.0mm² flexible heavy duty cable
- 10A fully moulded plug and socket with protective safety skirt

Overview

This HPM Plugboss Heavy Duty Extension Lead is designed for durability in demanding environments. Its bright yellow colour ensures high visibility, making it easy to spot on busy job sites. With a unique clamping socket, these leads securely lock together, eliminating the hassle of disconnections and downtime. It is ideal for building sites, farms, factories and workshops.

Quality You Can Trust

Installation

- Ideal for workshops and garages

Convenient Functionality

- Lead packing clip located on plug helps prevent lead unravelling when not in use

Unique Characteristics

- Unique clamping socket, designed and patented by HPM, holds the plug in place to help prevent lead pull-apart
