## TRADESMAN HPM

HPM Tradesman Extra Heavy Duty 10A 3 Core 1.5mm<sup>2</sup> Extension Lead with Locking Socket 30m Red

REF. R2930TL | EAN. 9321001411031

1 Year Warranty

> [Visit product online](#)

## Features

- 3 x 1.5mm<sup>2</sup> flexible extra heavy duty cable
- 10A clear moulded plug and socket with protective safety skirt
- Heavier gauge conductors reduce voltage drop and offers added protection

## Overview

This HPM Extra Heavy Duty Extension Lead is built for rugged use on construction sites. Its bright red colour enhances visibility and the 10A clear molded plug allows for easy safety checks. It ensures reliable performance for tough jobs with a protective safety skirt, heavy gauge conductors to reduce voltage drops and a clamping socket to prevent pull-apart.

## Quality You Can Trust

### Installation

- Ideal for building, industrial and construction sites

### Convenient Functionality

- Extra heavy duty tradesman offers added protection from worksite damage

### Unique Characteristics

- Unique clamping socket, designed and patented by HPM, holds the plug in place to help prevent lead pull-apart
