Features

- IP53 rating, offering protection against limited dust ingress and water spray, ensuring reliable performance in semi-protected outdoor areas.
- Enhanced terminals for ease of installation
- Curved lines for a modern look with a protective barrier edge, increasing durability against impacts
- Compatible with all 3 voice assistants: Apple SIRI, Google Home and Amazon Alexa

Overview

The HPM AQUA with Netatmo Smart Single Powerpoint delivers versatile control for outdoor lighting, pool pumps, and garden irrigation systems. With options for local switching, smartphone or tablet apps, and voice commands, it offers unmatched flexibility. Easily integrate it into your smart home ecosystem for seamless and enhanced convenience.
