Features

- IP66 rating provides full protection against dust and powerful water jets, ensuring reliable performance in harsh environments
- Curved lines for a modern look with a protective barrier edge, increasing durability against impacts
- Featuring captive screws that are ergonomically angled with carburised steel and deep heads for greater grip
- Raised insulation barriers with large terminals to accommodate up to 4 x 2.5mm² cables

Overview

The HPM AQUA Weatherproof Surface Mount Switch delivers dependable outdoor control for powered devices. Equipped with robust IP66 protection, it is built to withstand extreme weather conditions, ensuring consistent performance throughout the year. Its surface-mount design enables easy installation on any exterior wall, making it a practical and durable choice for all outdoor power applications.
