- Size 83mm (W) x 83mm (H) x 72mm (D)
- 1 Gang Switch
- 20A Switching mechanism, suitable for high-powered appliances

Overview

The HPM AQUA 20A Weatherproof Single Switch is an excellent choice for managing high-powered outdoor appliances. With its 20-amp rating, it is specifically designed to handle the power needs of demanding equipment like spas, pool systems, and air conditioners. Its weatherproof design ensures it can withstand tough outdoor conditions, providing reliable performance and safety year-round. This switch is a perfect solution for outdoor settings that require durable, high-capacity power management, offering both convenience and peace of mind for those utilizing powerful devices in their outdoor spaces
