- Rear Entry

Overview

The HPM 10A Black Rewirable Rubber Plug Top is built as a durable replacement plug for heavy-duty equipment. It meets the need for reliable, strong connections in demanding environments like commercial, farm, and agricultural settings. This plug ensures your machinery stays operational and safe, even in challenging conditions.

Quality You Can Trust

Installation

- Male connection ensures a secure and stable link for your machinery

Convenient Functionality

- Rubber casing provides extra durability, making it ideal for heavy-duty use
