REF. LDLFF90TRIDWE

3 Year Warranty

> [Visit product online](#)

Features

- Integral dimmable driver compatible with most quality dimmers
- Gasket for sealed construction to prevent air leakage.
- High quality flame retardant plastic construction
- IP44 rated, suitable for outdoor undercover areas
- Screw-less terminal cover for easy, hard-wired connection

Overview

The HPM Zyla Plus Flicker Free LED Tri-Colour Flush Downlight in white minimizes visible flickering caused by "ripple control injection" at frequencies of 750 Hz and 1050 Hz. It maintains flicker-free performance at full brightness and when dimmed with approved HPM or Legrand dimmers. Ideal for homeowners seeking smooth, consistent lighting, it also features a tri-colour selector for Warm White, Natural White and Cool White.

Quality You Can Trust

Installation

- 1m flex cord and plug for quick and easy installation

Convenient Functionality

- Light Colour Selector: Easily switch between Warm (3,000K), Cool (4,000K) and Natural (5,000K) light colour temperatures
