Overview

The HPM Alina LED Tri-Colour Downlight is the perfect addition to your home improvement project. With a light colour selector, you can easily switch between warm, cool and natural light temperatures to customize the atmosphere of your space. This downlight is designed for low ceiling cavities and features a recessed diffuser for reduced glare. It's also dimmable and boasts an IP44 rating, making it suitable for outdoor undercover areas.

Quality You Can Trust

Installation

- 1m flex cord and plug for quick and easy installation

Convenient Functionality

- Light Colour Selector: Easily switch between Warm (3,000K), Cool (4,000K) and Natural (5,000K) light colour temperatures
