Features

- RJ45 Cat 6
- T568A wiring code
- 45° angle contacts for more secure connections
- Compatible with either Krone or 110 termination tools
- Coloured IDC terminations for easy identification (Universal fit - Blue)

Overview

The RJ45 Cat6 Socket is a robust and versatile networking solution designed for high-speed data transmission and reliable connectivity. With the T568A wiring code, it ensures compatibility with a wide range of network configurations. The 45° angled contacts enhance connection security while minimizing cable strain for long-lasting performance. Compatible with both Krone and 110 termination tools, it offers flexibility and ease of installation. Designed to fit universal wall plates (CLQ), this socket is suitable for various networking applications.

Quality You Can Trust

Installation

- Compatible wall plate: Universal (CLQ)
