Features

- RJ45 Cat 5E
- T568A wiring code
- 45° angle contacts for more secure connections
- Compatible with either Krone or 110 termination tools
- Coloured IDC terminations for easy identification (Universal fit - Blue)

Overview

The RJ45 Cat5e Socket is a versatile and durable networking solution designed to support seamless data transmission. Featuring the T568A wiring code, it ensures compatibility with a wide range of network setups. Its 45° angled contacts provide enhanced connection security and minimize cable strain, making it ideal for long-term use. The socket is compatible with both Krone and 110 termination tools, ensuring easy and flexible installation. Designed to fit universal wall plates (CLQ), this socket is suitable for various applications.

Quality You Can Trust

Installation

- Compatible wall plate: Universal (CLQ)
