Features

- RJ45 Cat 6
- T568A wiring code
- 45° angle contacts for more secure connections
- Compatible with either Krone or 110 termination tools
- Coloured IDC terminations for easy identification (Cat6 - Black)

Overview

The RJ45 Cat6 Socket is a high-performance networking solution, perfect for advanced data transmission and connectivity. Built with the T568A wiring code, it ensures compatibility and efficient operation in modern network setups. The 45° angled contacts provide secure and stable connections while reducing cable strain for enhanced durability. Designed for flexibility, it is compatible with both Krone and 110 termination tools, allowing for quick and efficient installation. Compatible with HPM wall plates, this socket is ideal for professional and residential use.
