Overview

The HPM Vivo 2 Wire Push Button Wall Plate is a top choice for anyone seeking a modern, technology-friendly light switch. Featuring a soft-touch electronic push button and on-board programming, it lets you select between red or blue LED indicators and choose whether the LED remains off or dimmed when the lights are inactive. With easy installation and a sleek, square design, this wall plate enhances any decor. Plus, the interchangeable cover plate allows for personalised customisation to suit your style.

Quality You Can Trust

Installation

- Oval 84mm fixing points - making it easier to adjust when installing

Unique Characteristics

- Customise to suit your tastes and your interior with the coloured coverplate options (sold separately)
